

Dearest Dr. Koneru,

I offer my heartfelt thanks for the surgery and care that you gave me. I am so grateful to you that you accepted me as your patient.

I thank your wonderful staff Linda & Hilda who have been so thoughtful and supportive to me.

Dr. Koneru you made me feel well informed and comfortable when I felt scared.

I sincerely thank you for your time, kindness and help when I needed it the most...

Thank you

Lots of Love
